

# Make Corn on the Cob for your community garden!

## Materials:

2 Pieces of Green Paper

1 Piece of Yellow Paper

Crayons/Markers

Pencil

Scissors

Glue/Tape

1. Trace and cut out one handprint on yellow paper.
2. Trace and cut out two footprints on green paper.
3. Cross one of your footprint's heels over the other and glue them on top of the bottom of your handprint.
4. Draw several vertical and horizontal lines on your handprint to form your corn kernels. We used an orange marker for this task!
5. Label your corn craft as desired!

**It should look something like this!**
